COSMECEUTICALS

THE SCIENCE OF SKINCARE

Results driven botanically based
PHARMA GRADE COSMECEUTICALS

CREATE INCREDIBLE SKIN IN FOUR EASY STEPS

By selecting products from each of these four categories, you can create a complete regime that safely and rapidly improves your skin.

1. Cleanse
2. Treat
3. Hydrate
4. Protect

EFFECTIVE INGREDIENTS. VISIBLE RESULTS.

Formulated with pharmaceutical-grade, botanically based ingredients, to ensure maximum efficacy and purity.

By combining the best of traditional medicine and the latest, cutting-edge technologies, we are able to develop formulas that deliver on their promises and create dramatic physiological improvements to the skin. Our products are formulated without parabens, sulfates, and other chemicals that cause irritation. The resulting products are powerful, yet gentle enough for sensitive skin.

BAZAAR STYLIST HELLO!

> *I won't lie, this serum is a bit of an investment but for me, my skin comes first. This is almost like a little peel that you can use every day. I put it on every morning and night and it tingles, but it helps to keep my skin really even and bump free.*
>
> Rosie Huntington-Whitely

ACTIVE SERUM™
Brightening. Anti-aging. Anti-acneic.

ACNE HERO FORMULA

BENEFITS

- Reduces the appearance of fine lines
- Diminishes the appearance of hyperpigmentation
- Reduces breakouts & pore size
- Smoothes & softens skin texture
- Provides both rapid & long-term results

> *ACTIVE SERUM™ is a phenomenal multi-purpose product that we use as a first line treatment approach to treat acne, mottled pigmentation and wrinkles. Our patients love the way it feels and rave about their skin's improvement in texture and pore size reduction. I prescribe it confidently for all skin types.*

Helping HEAL

iS CLINICAL® products that specifically address the unique concerns of patients undergoing chemotherapy and radiation treatments.

My patient started with POLY-VITAMIN® SERUM right after completing radiation therapy to her breast. Her skin recovered so quickly and she said she felt immediate relief. Her skin has healed beautifully and I can hardly see her surgical scar.

Dr. Julie Taguchi, Oncologist, Sansum Clinic

Patients experienced immediate improvement in radiation skin reactions...the time to wound healing was clinically shortened and the irradiated site was noticeably softened.

Dr. Paul Song, Radiation Oncologist,
West Hills Radiation Therapy Center, California

DRY & CRACKED SKIN

CREAM CLEANSER An emollient, protective cleanser, free of irritating parabens & perfumes. Gentle enough for the most sensitive skin.

BODY COMPLEX This soothing body treatment provides immediate hydration, revitalizing even the most dry, compromised and cracked skin.

RADIATION DERMATITIS

POLY-VITAMIN® SERUM A revitalizing serum that uses vitamins B3 and B5 to promote cellular regeneration and microcirculation, helping skin cells to perform at their peak. In addition it hydrates and soothes as it rejuvenates compromised, thin, or extremely dry skin, immediately relieving tightness.

RADIATION BURNS

HYDRA-COOL® SERUM Powerfully hydrating, this serum cools, calms, and provides damage-deflecting antioxidant protection.

SHEALD RECOVERY BALM Reparative and healing this balm can be applied to speed recovery, repair and minimise scarring.

SENSITIVE SKIN & INFLAMMATION

PRO-HEAL® SERUM ADVANCE® Packed with powerful antioxidants and healing botanicals, this serum combats redness and inflammation.

SCAR TISSUE

SHEALD RECOVERY BALM from initial treatment & use SUPER SERUM™ ADVANCE® Clinically proven to reduce scars.
