Introduction

This Statement of Purpose is in compliance with, The Health and Social Care Act 2008 and Regulation 12 of the Care Quality Commission (Registration) Regulations 2014.

Aims and Objectives

Our service consists of dedicated and professional practitioners and medical staff. We strive to be acknowledged by our patients, suppliers, and regulators as the leader in Medical Aesthetic services. This will be achieved by ensuring that we recruit and train highly professional staff whose ambitions are to exceed patient expectations.

Our Aims

- To understand and exceed the expectations of our patients.
- To both motivate and invest in our team and acknowledge their value
- To encourage all the team members to participate in achieving our aims and objectives.
- To invest in property, equipment and technology and innovate processes based on a measured business case.

Our Objectives

The objectives of the clinic are to deliver a service of high standard in line with the professional standards as follows:

- To be accountable for individual and team performance
- To support each other in achieving patient expectations
- Maintenance of the highest professional and ethical standards
- Rapidly respond to the needs of our team and our patients
- To encourage innovation, ambition, enterprise and continuous improvement

This is achieved by offering patients a personal service, integrating the highest quality products with the latest proven techniques and protocols.
